

Overnight Field Trip

Medication Information

Medication needed for your student on the field trip must...

- ☐ Have a completed "Request for Administration of Medication" form for each medication
- ☐ Be provided to the school nurse at least 72 hrs. prior to the trip
- ☐ Be in the original, labeled container
- ☐ Only include the number of doses needed for the trip
- ☐ Have administration instructions that match the container label
- ☐ Not be expired
- ☐ Be FDA approved

Medication Reminders

- Please only send necessary medications
- FCS does not stock over the counter medications
- If you are sending OTC medications, travel size is preferred
