What does this mean for Lambert students?

- All students should think carefully before requesting a course on GAVS or FVA outside of their schedule.
- Parents **MUST** complete the [GAVS Intent to Participate Form](#) on Infinite Campus before GAVS course requests can be processed.
- Lambert is encouraging all students to take either 0 or 1 online credits per semester, but the policy will only be enforced for the class of 2028 and beyond.
- The transcript course addition process will continue to be important.
- Lambert Counselors will be carefully reviewing requests to make sure all choices are in the best interest of the student.
