# SPONSORSHIPS

## *You Make a Difference*

The East Forsyth community is growing and the Theatre Department of East Forsyth High School wants to invite you to be a key part of this dynamic growth.

Our goal as a department is to teach life skills such as public speaking, woodworking, using tools, costume production, collaborating with peers and the list goes on. We also want to nurture a love of the arts in our students and our community through high quality productions.

To do this right and make the East community proud, we need funding.

We want to make theatre accessible to all students and ensure that everyone has an equal opportunity to succeed.

The support of our community keeps the cost of student participation low which means more kids can be involved.

Please considering partnering with us and becoming a sponsor of Theatre East!

*Thank you for making Theatre Possible!*
