

# Safe, affordable, and rapidly accessible medical services available to Forsyth Central High School.

## GEORGIA HIGHLANDS MEDICAL SERVICES SCHOOL-BASED HEALTH CENTER

540 Dahlenoga St. Cumming, GA 30040  
Ph: 678-965-0495 Fax: 678-466-6508  
Hours: Monday-Fri 7:30am - 3:00pm

As of March 2023, Georgia Highlands Medical Services proudly provides affordable medical and behavioral health services to Cumming Elementary, Otwell Middle School, and Forsyth Central High School students whose parents/guardians choose to access this outstanding service. Whether you need a routine check-up, immunizations, or treatment for an illness or injury, our school-based health center is available for you at Cumming Elementary School.

We aim to ensure that students and school staff receive quality healthcare, reduce missed school days, and keep kids healthy. Additionally, our school center helps families overcome access barriers – including transportation, time, cost, and lack of continuity of care – that may prevent them from receiving needed healthcare services. Care is provided before and during school hours. Furthermore, parents/guardians can meet their child at the clinic to be seen by our Nurse Practitioner, Ashley Ford, and our Licensed Professional Counselor.

ASHLEY FORD, FNP-C

# Atención médica segura, rápida y asequible para estudiantes de Forsyth Central High School.

Desde inicios de marzo de 2023, Georgia Highlands Medical Services proporciona atención médica a estudiantes de Cumming Elementary, Otwell Middle y Forsyth Central High School cuyos padres eligen acceder a los servicios disponibles. Ya sea que necesiten un chequeo de rutina, vacunas o tratamiento para una enfermedad o lesión, nuestro centro de salud basado en la escuela en Cumming Elementary están disponibles.

Nuestro objetivo es asegurarnos que los alumnos y el personal de la escuela reciban servicios médicos de calidad con el fin de mantener el bienestar físico, mental, y prevenir el ausentismo escolar. Además, nuestro centro de salud ayuda a familias con obstáculos de transporte, horarios de trabajo y costo. Ofrecemos atención antes y durante el horario escolar. Además, los padres/tutores pueden encontrarse con los estudiantes en la clínica para que los atienda nuestra enfermera, Ashley Ford, y nuestra consejera profesional licenciada.
