

Otwell Middle School 5th to 6th Student Transition Plan Spring 2025

Welcome to our Otwell Family! Our teachers and staff are so excited for you to start the transition to sixth grade. Otwell has several activities and resources to help the current 5th grade students and families successfully transition from elementary to middle school. To reach both virtual and face to face families, we have created a Rising 6th Grade website to provide you with important information and upcoming dates. To view the website, scan the QR code below.
