- Foster excellence and a dedicated spirit in the pursuit of art.
- Encourage the creative abilities and talents of the individual student.
- Bring art to the attention of the school and community.
- Increase the awareness of art as a viable area within the total school curriculum.

Effective members will:

- Show up on time
- Act professionally
- Work hard
- Help solve problems and not create them
- Follow-through to the end
- Take pride in the final product
- Communicate images of the final product (share with Ms. B or COach Fowler)

Meetings will be held the first Second Week of the month with 3 Wellnesses during school, so that will usually fall middle of the month or towards the end. Community service will be done when possible this year...we will just have to get creative. Additional dates may be planned for particular activities and will be announced as needed. **Activities have expected attendance and serve as community service opportunities just like meetings.**
