- AP Computer Science A
- AP Studio Art 2D
- AP Studio Art 3D
- AP Studio Art Drawing

SAT/ACT TESTING

SAT total: 249
 SAT Avg. Score: 1055

 ACT Total: 181
 ACT Avg. Score: 21.9

GRADING SCALE

- A = 90-100
- B = 80-89
- C = 70-79
- F = 0-69

*GPA is a Weighted Cumulative Average

One additional quality point is added to AP and dual enrollment

CLASS OF '24

Total Students: 635

 4 Year College: 84%
 2 Year College: 7.8%
 Workforce/Military: 3%

SPECIAL PROGRAMS/CONSIDERATIONS

3DE

3DE is a full immersion “school within a school” that is designed to provide students with core academic courses, including Honors and Advanced Placement, delivered by dedicated 3DE teachers to ensure an engaging and interdisciplinary learning environment. 3DE strategically blends the core competencies of 3DE, Junior Achievement, and the broader business community to initiate transformation from the inside out. Students will engage in a continuum of learning experiences structured around relevant case challenges, culminating events to corporations and colleges, and more! The result is a model that effectively utilizes our networks, resources, and expertise structured around real-world problems.

AP CAPSTONE

AP Capstone is a diploma program from College Board based on two yearlong AP courses: AP Seminar and AP Research.

Rather than teaching subject-specific content, these courses develop students' skills in research, analysis, evidence-based arguments, collaboration, writing, and presenting. Students who complete the two-year program can earn one of two different AP Capstone awards, which are valued by colleges across the United States and around the world.

In Forsyth County Schools, AP Precalculus is intended for students who will then matriculate to AP Calculus. For students who do not intend to study AP Precalculus, the district offers College Readiness Mathematics, which is aligned to the CLEP College Algebra test (for which students can then earn 3 hours of College Algebra credit). The district also offers AP Statistics as a 4th math option for students who want to attempt to earn college credit based on their AP exam score.
