Latin I

Latin II

Latin III

Latin IV

AP Latin

Work-Based Learning

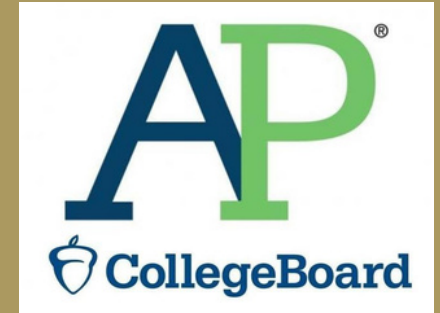

Internship

Structured real-world experiences that connect a student's career goal and classroom learning in a productive work environment.

Mentorship

A career mentorship, or job shadowing experience with a community mentor designed around the individual student's interest in a specific field or career

Why Take AP Courses?

- Get into the college of your choice: AP Courses enhance a student's academic transcript, offering better opportunities for college admissions.
- Develop skills that lead to success in college: AP Courses require higher level critical thinking skills.
- Save money: Many colleges award credit for passing scores on AP exams.
- Finish college sooner: Students who receive course credit for AP exam scores may finish college earlier or may be able to take additional college courses.

WFHS Advanced Placement Courses
