My College HOPE Profile

# My GAfutures Account Profile

- Student must have a GAfutures account profile
- My GAfutures account profile must include:
  - First and Last Name, Date of Birth
  - Social Security Number and Address
  - Georgia high school
- Profile Information will prepopulate into their DE application

# Online Application Process

---

- Student completes one application per year (selects the year)
  - Unless student changes high schools between terms
- Student will list college(s) of interest for Dual Enrollment from dropdown list of participating institutions
- As part of the application, student completes the participation agreement and provides parent's email
- Student receives on screen message and email that includes an Application ID (DE+7digits)
- Email sent to parent to complete participation agreement

# Online Application Process

---

After the student submits the DE application

- Parents complete the participation agreement electronically with a link in the email or a link on GAfutures
  - Parent must list the student's SSN and DOB or Application ID and DOB
- Parents without an email account or electronic access may complete the paper participation agreement on GAfutures and provide to the student's high school
- Home study paper application includes the participation agreement for student and parent to sign

# Online Application Process

---

After the parent/guardian completes the Participation Agreement

- High school/Home Study Program selects term, PSI(s) and high school course(s)
- PSI selects college course equivalence and approves or suggests alternate course
- PSI may add a course(s), then High School must approve or reject addition(s)
- When all courses are approved or rejected by both high and PSI, the term (application) is considered complete
