- AP Computer Science A
- AP Computer Science Principles

**AP Classes: 24**

**Honors Classes: 6**

In Forsyth County Schools, AP Precalculus is intended for students who will then matriculate to AP Calculus. For students who do not intend to study AP Precalculus, the district offers College Readiness Mathematics, which is aligned to the CLEP College Algebra test (for which students can then earn 3 hours of College Algebra credit). The district also offers AP Statistics as a 4th math option for students who want to attempt to earn college credit based on their AP exam score.

## Advanced Placement 2024-2025

Total AP Students: 659
