ALLIANCE ACADEMY WINS AT RLC

Alliance Academy for Innovation had over 60 people place at RLC!

Team flexing their hardware

Members showing off their medals

On January 17th, Alliance Academy for Innovation went to Lambert High School to compete in this year's RLC. We had a blast there going to the many innovative workshops they had as well as networking with the other FBLA chapters there as well

RLC Winners

Naturally, we did amazing at this year's FBLA Region Leadership Conference.. Over 60 of our FBLA members placed at RLC and we held our own against the top chapters in the region like South Forsyth and Lambert High School. It is safe to say this year's RLC was a massive success and we could not be more proud of our members..
