

La Familia Hispana at Forsyth Central Highschool

LFH started in 2002 with an idea to serve our growing FCHS Spanish-speaking student population.

LFH began with one Native Speakers 1 class of 20 students.

This year, our 19th year of LFH we have six classes in levels 1 and 2 totaling 170 students.

Next year, we will offer for the first time Native Speakers 3.

Our yearly highlight is our Annual or Biannual LFH Poetry Declaration. This day of presentations is known for its Excellence in Individual and Collective Student Achievement throughout our FCHS Community and beyond.

We currently offer a 4-year program:

- 1 First Year 9th Grade Poetry Declaration Native Speakers 1 or Native Speakers 2 Leadership Program
- 2 Second year 10th Grade Literature Work Native Speakers 2 or Native Speakers 3 Leadership Program
- 3 Third year 11th Grade LFH Peer Leadership Program
- 4 Fourth year 12th Grade LFH Executive Council Leadership Program

We currently have a thriving LFH Leadership Program across all four grade levels.

Our LFH program is coordinated by our Executive Council Leadership Program assisted by each of the grade level Leadership Programs.

Our current LFH President is Barbie Contreras

Our current LFH Vice-Presidents are Emili Hernández and Gabriel "El Venezolano" Morazán

Last Friday we named our initial inductees into LFH Hall of Fame.

Our former LFH President 2017-2020 and first ever inductee was Nisis Avilez. Our second inductee was our current LFH President Barbie Contreras. And our third and final inductee was one of our current Vice-Presidents Gabriel "El Venezolano" Morazán

Our LFH motto is taken from E. Naomi Cano who taught...

¡En la lucha se gana!
Only in the struggle, in the fight,
do you win!!!

We at LFH strive daily to ensure the success of each and every student that becomes part of LFH. And we also appreciate the opportunity to help anyone at FCHS if our services are needed.

We are honored to be a part of the best high school in Forsyth County.

WE ARE LFH AT FCHS
