If you are new to YouScience, you will be asked to create an account. If you already have an account, you will be logged into your account.

Now, you may complete the
YouScience Career Aptitude
Assessment.

In total, the assessment takes around
an hour and a half to complete.
Please take the assessment to the
best of your ability.

You will receive your results around a
day after completing the assessment.

You will also need to complete the
Grade Level Activities.

Click the person icon and review all
required information. You may have
to "save" careers or colleges to
complete the activities.

You have completed the Grade Level
Activities when you see green check
marks for all activities.
