

9th Grade Course Offerings

The tables below show the courses offered at WFHS for 9th-grade students.

Section I: Required Courses

Courses in **Section 1** are shown in Parent Portal and are based on 8th-grade teacher recommendations. Should you disagree or need to change a course recommended by your child's 8th-grade teacher, please complete the **Online Course Change Request**, which is located on the WFHS website under "Registration".

Course #	English	Course #	Science
10125y	Literature & Comp. I	30105y	Biology
10135y	Literature & Comp I Hnrs	30115y	Biology Honors

*Indicates Georgia graduation requirement courses for PE/Health. Must be taken together. Will be automatically loaded into course requests. If students are taking these courses over the summer, **please complete a course change request**.

Section II: Elective Courses

Courses in **Section 2** are the electives your student can pick from to take as a 9th grader. Students will add these as an elective request in Parent Portal. Please make sure to add at least **three (3)** choices.

"S" at the end of the number indicates this is a semester-long course. If selecting one of these courses, you MUST select two courses ending with an "s" to equal one (1) year-long course.
