Healthcare & Medical Supplies Discounts

McKesson Medical-Surgical Government Solutions LLC is pleased to offer the following discount program:

Discount: 36% off Non-Published Government Price List. Price on line will reflect the discounted price.

McKesson Medical-Surgical Government Solutions LLC ("MMSG") does not have a published list price. For the purposes of this bid and the resulting Contract, MMSG requests defining the term, "list price" as MMSG's Internal (non-published) Government List Price which is a price for commercial items. Any discount offered in MMSG's proposal does not apply to Controlled Substances. Controlled Substances may not be purchased through MMSG.

MMSG is able to provide a limited version of our online catalog for bid evaluation purposes. That site can be accessed at mms.mckesson.com; however, please note that it will not display manufacturer suggested retail price, percent discount off list or vendor's discounted price to the District. If awarded, MMSG's online catalog is available to users with a McKesson account number and a User ID / Password for SupplyManagerSM. The website is <https://mms.mckesson.com>. Once Forsyth County Schools has an established account number with MMSG, this account can be used to access the on-line catalog via SupplyManager.

Freight: Standard delivery is Monday through Friday excluding holidays. Although a delivery time is not guaranteed, delivery for stock items generally occurs within 1-3 days after receipt of order. Freight is included in quoted price.

Free Freight on all orders excluding, Hazardous, ship on ice and items shipped direct from the manufacturer (furniture equipment etc).

- A Hazardous materials surcharge of \$20.00 per order will be added where applicable
- A ship on ice charge of \$8.00 per order will be added where applicable

McKesson will work with Forsyth County Schools to accommodate emergency order processing requests whenever possible. Order size and time of day the request is received are factors used in determining if the request can be shipped after the standard cut-off time. Expedited delivery is possible; however, additional freight charges will be incurred. The actual price of expedited service is based on several factors such as number of boxes, weight and ship to location.
