

NOTICE OF NON-AWARD

Date: April 3, 2017

From: Brad Richardson

RE: RFP P17-02, Personalized Learning

Thank you for your participation in our recent competitive solicitation noted above. Due to unforeseen budgetary constraints, FCS will not be making an award under this solicitation. Even though this contract would have been a new line item in upcoming budgets, it was our hope and expectation that conditions would permit an award. Unfortunately, 2017/18 budget numbers did not permit. FCS recognizes the significant amount of resources that it requires in order for your company to participate in a formal solicitation such as this and we sincerely appreciate your efforts.

Thank you again for your interest in the Forsyth County School System. We look forward to working with you in the future.
