

March 29, 2022

Southeast Restoration Group of GA, Inc. 120 Mountain Brook Dr. Canton, GA 30115 Attn: Kyle Sears

Dear Mr. Sears:

This is to advise you that your company has been awarded a contract from our **RFP# P22-09**, **Disaster Restoration Services.** The effective date of this contract is April 1, 2022 and terminates on March 31, 2023. Your company is one of a pool of contractors by which FCS may use for disaster restoration services in accordance with the terms and conditions of P22-09.

This award is in accordance with all terms and conditions of the contract and with your attached pricing to remain firm for the entire contract period. This award letter is not an official order.

If you have any questions about this award, please contact Trey Tryan at 770-781-6603 or ttryan@forsyth.k12.ga.us. We appreciate your interest in the Forsyth County School System and your participation in our bidding process.

Sincerely,

Brad Richardson Director of Procurement Services

CRITERIA SIX

FORSYTH COUNTY SCHOOL SYSTEM Purchasing Department

14

Criteria Six-Cost

FCS is requesting on a separate page, a list all your contracted rates for labor, consumables and equipment that may be used in conjunction with this contract. Be sure to include all potential pricing scenarios to include any project managers, estimators, technicians, supervisors, general labor and other labor rates that may be associated with this contract. Be sure to include overtime charges if applicable. A separate list should be provided for consumables to include a brief description, pricing, and unit of measure. The equipment list should provide a description, contract rates and time of use for either hourly or daily.

<u>Material and Rental Equipment</u> – For any materials or rental equipment that may be needed not included in the contract pricing submitted above.

Materials- % Mark-up for Parts

Rental Equipment- % Mark-up for Rental Equipment 25% %

Other (List Below if other costs exists)

See attached price list for further detail and explanation. Note that the attached

list is aimed specifically at emergency services and property damage mitigation

and the scope of property repair is minimal pending further clarification of the scope of how FCS intends to facilitate the necessary repairs following initial disaster services.

Notes/Clarifications:

The attached rates are NOT inclusive of any government-specified wage stipulations.

If at any point "Davis-Bacon wages", "prevailing wages", or "certified payroll" become a requirement of this contract, a minimum of 35% must be added to the wages specified in the attached sheet. At the time of our submission of this RFP, it is our understanding that these are not a requirement of this contract and therefore not included in the attached tables.

 $^{2}\;$ In the states of CA and WA a multiplier of 1.25 will be applied to the regular hourly rate.

³ Work performed in the Washington D.C. Metropolitan area is entitled to an additional 5% markup that will be applied to the total of all scheduled labor, scheduled equipment, scheduled consumables and 5% will be added to the markup for all vendors, unscheduled equipment, unscheduled material invoices.

§ I.II LABOR CALCULATION POLICY

The guidelines for labor invoicing are as follows: The first eight hours worked on any scheduled shift Monday through Friday will be charged at the regular hourly rate. Any hours worked in excess of eight hours on any scheduled shift Monday through Friday will be charged at 1.5 times the regular hourly rate. All hours worked on Saturday and Sunday will be at 1.5 times the regular hourly rate. All hours worked on Holidays (see §I.III Item 4 for recognized holidays) will be charged at 2 times the regular hourly rate. OT applies to all labor classifications regardless if salary or hourly.

After Hours Emergency Services: In the event that BELFOR personnel are required for emergency services after normal BELFOR business hours (Weekdays 5:00 p.m.-7:00 a.m.), 1.5 times the regular hourly rate will be charged.

§ I.

CODE

.

§ I.

RATES AND INVOICE CONDITIONS

§ I.III LABOR CONSIDERATIONS

- 1). Work performed under a particular contract that is subject to Federal and State wage and hour laws, prevailing wages, and/or collective bargaining agreements may require negotiated changes to the above stated rates. If necessary, adjustments will be made to the hourly rates and other labor provisions.
- When circumstances beyond our control require BELFOR personnel to stand-by at the job site, a minimum stand-by charge of 6 hours at the regular hourly rate (no overtime) will be charged.
 National holidays recognized by BELFOR for rate (not payroll) purposes are New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and

3). National holidays recognized by BELFOR for rate (not payroll) purposes are New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas.

4). The hourly Scheduled Labor rates will be charged portal to portal for all BELFOR personnel, labor subcontractors, and subcontractors fulfilling any Labor Classifications.

5). If a meeting is requested by the client that involves travel BELFOR will bill for travel expenses at documented cost plus 15%. Labor hours will be charged at the applicable Rate Classification

§ I.IV CONSULTING EXPENSES

1). Reproduction of actual drawings at \$4.50 per SF

2). Automobile mileage at IRS approved rate

- 3). Tolls at cost with receipts over \$25.00
- 4). Photocopies at \$0.15 per page
- 5). Color copying at \$1.50 per page or actual cost if Kinko's or other service
- 6). Airfare, hotels, rental car rates and other travel expenses are billed at cost + 15%
- 7). Daily per diem rate at \$65.00 a day/based on (8) hour day
- Note: *Fees for deposition and trial appearances are for a minimum four hours @ \$400/hr for all consultants

§ II. SCHEDULED EQUIPMENT CHARGES (see § II.I Itemized Scheduled Equipment)

1). The Daily Rental Rate is charged for each calendar day equipment is utilized on a project, whether a partial day or complete day.

2). Small Tools Charge: Items such as shovels, ladders, demolition carts, extension cords, small hand tools, etc..., which are provided by BELFOR but are not included in the Scheduled Equipment list will be charged at 3% of total labor charges for all hands-on personnel (EO, GL, LF, RT, RS, DTA, DC, DTL, DMT, DT, MT, PT, DP, CR, TN, TS, HT, HLT, HEO). Any specialty items purchased for a project may be charged as per Section IV.

3). The Safety Equipment Packages (Personal Protection Equipment - PPE, Personal Fall Protection - PFP, and Personal Respiratory Protection - PRP) are inclusive of the reusable components of each package as well as any training, medical, or certification expenses related to their use. They do not include the disposable items within the Scheduled Consumables list.

4). During the course of performance of the work BELFOR may add additional equipment to the schedule.

§ III. SCHEDULED CONSUMABLES (see § III.I Itemized Scheduled Consumables)

1). Any scheduled consumables purchased locally where the unit price exceeds 80% of the rate, the item will be invoiced at documented cost plus Contractor's 10% Overhead / 10% Profit (21%).

2). During the course of performance of the work BELFOR may add additional consumables to the Rate Schedule.

3). BELFOR reserves the right to change the unit rate of scheduled consumables affected by market conditions.

4). Scheduled consumables are charged on a "per unit" basis whether consumed by the unit or not.

§ IV. VENDORS, UNSCHEDULED MATERIALS & UNSCHEDULED EQUIPMENT

1). Contractor's 10% overhead plus 10% profit (21%) will be added to the total of all documented costs for Unscheduled Materials, Unscheduled Equipment, and Subcontractors / Vendors (including DUCTZ HVAC and BELFOR Environmental Services) who are not fulfilling a scheduled Labor Classification.

§ V. REIMBURSABLES

1). Contractor's 15% mark-up will be added to the total of all reimbursables.

2). Standard per diem rates are \$55 per person per day (2019 GSA base rate). The 1.35 multiplier will be applied for NYC, Cape Cod, Martha's Vineyard, Nantucket, AK, HI, Latin America, and the Caribbean (\$74.25). The 1.25 multiplier will be applied for CA and WA (\$68.75). Per Diem will be charged for all traveling personnel in § I. Itemized Scheduled Labor Classification. BELFOR charges this daily rate whether the per diem is paid directly to the person, is charged to BELFOR as a separate charge, or is included with other compensation considerations. For multiple jobs on a single day, per diem will be prorated accordingly.

3). Per Diem reimbursement is subject to certain limitations regarding deductibility governed by the Internal Revenue Service, Code of 1986, Section 274(n)(1). Please consult your tax advisor on the appropriate treatment of these costs on your project as it is our policy that any deductibility limitation for income tax purposes is the responsibility of the customer.

4). BELFOR shall be reimbursed for travel expenses (airfare, lodging, rental cars, per diem) for personnel at documented costs plus markup (see item 1).
5). Lodging will be charged in accordance with the published GSA lodging allowance in effect at the time of the stay (https://www.gsa.gov/travel/planbook/per-diem-rates/) plus applicable fees and taxes. As is the case with the Federal Travel Regulations, actual expense reimbursement is allowed when the lodging allowance is insufficient to meet the necessary expenses.

6). An optional methodology for lodging charges is to apply a lodging allowance as follows: Lodging may be charged at the average nightly rate of up to three hotels that house project personnel (BELFOR and/or subcontractors). The full average nightly rate will be charged for single occupancy and 50% of the average nightly rate per person will be charged for double occupancy.

§ VI. DOCUMENT DRYING AND RECOVERY SERVICES

Freeze drying charges will range from \$45 to \$85 per cubic foot based on the volume of documents to be dried, the type of document (bound or loose paper), and the moisture saturation.

The above rates represent the charges for freeze drying only. Labor, equipment, materials and other document treatments performed will be billed in accordance with the rates herein and any project specific quotations.

Other recovery service charges will be determined per job, based on the following relevant factors:

* Nature of Damage * Degree of soot/char * Intended Use of Document * Moisture Saturation * Mold Contamination * Odor Because the type and level of contamination may vary so greatly and thus affect the resultant recovery protocol required, these additional services will be quoted after examining a sample of the affected documents.

§ VII. CAT CONSIDERATIONS (Based on Property Claim Services assigning a CAT Serial Number)

1). A 6% fee will be added to the total of each invoice. This fee will cover all of the indirect charges that must be allocated to each job in the CAT. Examples of these charges would be CAT management, CAT office, admin support, warehousing, etc...

§ VIII. BILLING AND PAYMENT

1). Invoices generated in accordance with the BELFOR Rate and Materials Schedule will be submitted periodically for work that has been performed. As such, all invoices are due and payable upon receipt and will be considered late 30 days after receipt of the invoice. If there are any disputed charges on any invoice these should be clearly identified in writing within 30 days and an additional 30 days will be allowed to resolve disputed charges. Interest charges will begin to accrue after 30 days for undisputed charges and after 60 days for the disputed charges at the rate of: 1) 1% per month or 2) as specified in the terms and conditions of the applicable contract.

The rates contained in this exhibit are exclusive of federal, state and local sales or use taxes and the costs associated with any applicable federal, state or local approvals, consents, permits, licenses and orders incident to performance of the work.

Forsyth County RFP P22-09

§ 111.1

38

March 29, 2022

Servpro of Panthersville 4153 Flat Shoals Pkwy Bldg B. / Ste. 202 Decatur, GA 30034 Attn: Nadine Marsh Coleman

Dear Ms. Coleman:

This is to advise you that your company has been awarded a contract from our **RFP# P22-09**, **Disaster Restoration Services.** The effective date of this contract is April 1, 2022 and terminates on March 31, 2023. Your company is one of a pool of contractors by which FCS may use for disaster restoration services in accordance with the terms and conditions of P22-09.

This award is in accordance with all terms and conditions of the contract and with your attached pricing to remain firm for the entire contract period. This award letter is not an official order.

If you have any questions about this award, please contact Trey Tryan at 770-781-6603 or ttryan@forsyth.k12.ga.us. We appreciate your interest in the Forsyth County School System and your participation in our bidding process.

Sincerely,

Brad Richardson Director of Procurement Services

cc: Kevin Songer, Plumbing Coordinator

Standard Rates – The rates on Page 1 are "standard rates" and apply during a standard 8-hour work day, Monday through Friday. Donning and doffing PPE and any necessary personnel decontamination will be charged actual time.

Overtime Rates - will be billed for all labor classifications at the rate of 1.5 times the standard rate per hour for work performed on the same project in excess of 40 hours per week, or 8 hours per day and on weekends, as required by applicable law. Hours worked by personnel on the following holidays will be charged at 2 times the standard rate: New Year's Day, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Eve and Christmas Day. If a state or local authority imposes more stringent overtime requirements, including holidays, those will apply.

Mobilization/Travel - time for all personnel including, without limitation, managers, crew, labor subcontractors and other subcontractors will be billed portal to portal (office/warehouse to job site and return) at the rates set forth above. With a strong nationwide network, we will attempt to mobilize qualified personnel and equipment as near to the loss site as we can. Client is also responsible for the mobilization and return costs of vehicles, equipment and trailers over 75 miles one way.

Stand-by — When circumstances beyond our control require personnel and/or equipment to be delayed from beginning or continuing work, the rates herein per hour will be charged for personnel and equipment, with a minimum of 6 hours for personnel, and all labor associated fees will apply.

Premium Labor Rates – Premium Labor Rates may be applied to projects within 75 miles of major metropolitan areas such as Chicago, Minneapolis, New York City, Washington, D.C. and within the States of Alaska, Hawaii, Washington, Colorado, Oregon, California and U.S. Territories. Premium Labor Rates may also apply during large national and region-wide extraordinary events such as epidemics, pandemics, storms, catastrophes, hurricanes, floods, earthquakes, wildfires and tornadoes where labor availability is compromised and/or due to market conditions beyond our control.

Prevailing and Union Wages – Labor is subject to prevailing wage, unionized labor and extraordinary local labor conditions. In such events, General Labor will be charged at presented invoice plus 35% or standard labor rate, whichever is greater.

Small Tools Charge - of 3% applies to all labor of Supervisor and below that are assigned to the project full time and includes all listed items.

Subcontracted General Labor - includes outside labor services provided as needed for the scope of the project and will be charged at the rates above , plus all other applicable labor billable items including, but not limited to, per diem, small tools, vehicles, mileage, lodging, as set forth herein and as applicable to the project.

Specialty and Licensed Trades - include but are not limited to electrical, plumbing, mechanical, roofers, engineers, architects, and other specialty trades, and will be charged at presented invoice plus 10% overhead and 10% profit.

Safety officers - shall be charged as needed for the project and upon notification to client.

Restoration Services Labor Descriptions:

Project Coordinator - coordinates activities and assignments of designated projects to ensure that goals and objectives specified for the projects are accomplished. Job Responsibility Examples: HQ Corporate Reporting (CLLD); Review Project Burn Report; Daily PM meeting; Review status of jobs in progress; inspect all projects in progress; assist with project scope and estimate as necessary; meet with Adjuster/Consultant/Insured to review progress; job site inspections.

Project Estimator - used when a detailed estimate is requested by the Insurance carrier for a date when no work will be performed.

Senior Project Manager - For extremely large projects requiring multiple Project Managers, a Senior Project Manager draws communication responsibilities with the materially interested parties away from the PMs, so they can better focus on task completion and documentation of their assigned project. Job Responsibility Examples: Job site inspection; prepare daily work orders; morning meeting with PM's; oversee morning line-up; meeting with Accountant to review previous days paperwork and ensure insurance company receives proper documentation; meeting with

Insured/Adjuster/Consultant to review progress; troubleshoot issues as necessary; complete daily checklist and job diary; review end of shift paperwork with APM for accuracy; daily meeting with PC.

Project Consultant - as requested by client to provide consulting services on non-Servpro projects being performed by other third parties. This Project Consultant will provide an independent analysis.

Confined Space Technician - performs skilled production tasks and ensures proper protocols are followed in OSHA defined confined spaces. These technicians are specialty trained to work in the environment and trained to use specific safety gear and communication techniques.

Bio/Hazmat Supervisor - supervises the Bio/Hazmat technician to maintain quality production but does not participate in the physical completion of tasks, other than training and coaching the Technicians / laborers performing the work.

Project Manager - directs all operations of a designated project and provides the primary single point of contact for all materially interested parties. The PM is accountable for the project's execution and completion.
