

Playground Equipment

The following list of vendors currently provide playground equipment and supplies and are available to provide assistance and pricing for your playground needs. All three vendors currently hold government contracts through an approved purchasing cooperative, therefore pricing has already been secured. While you are not required to seek additional quotes if using one of the vendors below, it may be to your benefit to compare offers and see which vendor is offering the best overall value and package. If you would like to contact other playground vendors for the purpose of seeking additional quotes, please contact purchasing for a list of vendors not associated with a government contract. Please note that a completed E-Verify Security Affidavit form (attached) shall be obtained from the vendor prior to any work being performed onsite.
