PURCHASING DEPARTMENT

Q23-04 Water Cooler Installation Services

Scope of Work & Bid Form

The intent of this contract is to secure a contractor to provide the service of installing a variety of water coolers, watercoolers with bottle fillers, and bi-level fountains with bottle fillers. The fixtures to be installed are new in box Elkay drinking fountains that will be owner furnished and delivered to the site of installation. Contractor will be required to remove old water coolers and install new water cooler or water coolers with bottle filler. Contractor will be required to supply all labor and material to install the fixtures which shall include like kind P-Traps and supply lines (braided supply lines are approved). If finish stops or fixture arms need to be replaced or reworked regular and customary charges maybe applied after approval of the plumbing coordinator. Owner will pickup old fixtures that are removed. All other debris can be placed in the dumpsters that are normally onsite.

Cost for additional cooler installation as needed throughout the contract year at locations TBD.

\$ 600.00 (Cost Per Cooler TurnKey)
