

Forsyth County Schools A.I.M.

School: North Forsyth High School Principal: Beth Hebert SY2009-2010

Department or Teachers: Fine Arts

Action Plan

Goal Statement(s):

1. All Fine Art students will be able to identify and describe the five principles common to all works of art; unity, rhythm, balance, emphasis and variety.

2. All beginning level Fine Art classes will view a 30 minute segment of Cirque de Soleil's "Quidam". Students will write an evaluation of the show based on the five principles common to all works of art.

SMART Goals:

Specific and Strategic

Measurable

Attainable

Relevant

Time Oriented

Actions / Strategies / Interventions	Monitoring of Interventions (Artifacts)	Evidence of Impact (Student Learning Data)
. 1. Each teacher will teach the six principles as they apply to their own discipline, then test the students.	Lesson plans	80% of students will pass a test on the common principles of art.
2.. The class will discuss how the principles are utilized in other art disciplines.. The class will watch a segment of Cirque de Soleil's Quidam. After a class discussion about what they viewed, students will write a paragraph for each principle,describing how and when the principle was used in each area, music, drama and visual art in the production.	Lesson plans	80% of students will pass the written evaluation of the show based on a common writing rubric.
2. Develop benchmark exam	Exam	Student scores
