

# Forsyth County Schools A.I.M.

<b>School:</b> <u>North Forsyth High School</u>	<b>Principal:</b> <u>Beth Hebert</u>	<b>SY2010-2011</b>
<b>Department or Teachers:</b> <u>Health and Physical Education</u>		

Action Plan		
<b>Goal Statement(s):</b> Improve upon the writing skills of students 9-12 as evidenced by an increase of 9% on the GHSWT.  <b>Specific academic areas within content and/or subgroup to address:</b> English – Reading and Writing Skills – All Students		<b>SMART Goals:</b>  <u>S</u> pecific and Strategic  <u>M</u> easurable  <u>A</u> ttainable  <u>R</u> elevant  <u>T</u> ime Oriented
Actions / Strategies / Interventions	Monitoring of Interventions (Artifacts)	Evidence of Impact (Student Learning Data)
<b>Team Sports</b> – Students will read packets about each sport in class. The students will then be given an essay type assessment over what they read. A writing rubric will be used to assess and give feedback to students.	Tests with questions that require 3 or more sentences will be included with each unit of study. Writing assignments may also be used in place of a test.	Results on the writing portion of the GHSWT. Improvement of writing throughout the school year.
<b>Health/Personal Fitness/ Driver's Education</b> – Students will read from text books and other assigned readings in class. The students will then be given an essay type assessment over what they read. A writing rubric will be used to assess and give feedback to students.	Tests with questions that require 3 or more sentences will be included with each unit of study. Writing assignments may also be	Results on the writing portion of the GHSWT. Improvement of writing throughout the school year.

<p><b>Weight Training</b> - Students will be given, in writing, proper techniques for lifts. A member from each lifting group must read and then verbally present the points for proper technique to their group members. Each time there is a new lift, there will be a new presenter.</p>	<p>used in place of a test.</p> <p>Teachers will observe these presentations which will take place before students are tested on that particular lift.</p> <p>Rubrics will be used to assist students with presentations.</p>	<p>Evidence will be reflected in grades (bonus points for presenting).</p>
